Elemental Evening

2020 Corporate Sponsorship Information

The twelfth annual spring fundraiser to benefit The Science Zone is Saturday, April 17th, 2020 at the Clarion Inn from 5:00p to 9:00p. The evening begins with cocktails, games, and demonstrations followed by dinner, auctions, and raffles.

For the last two decades, The Science Zone has provided Casper and local communities the opportunity to explore the sciences. As our patrons explore our facility and programs, their own curiosities propel them through our exhibits and displays. Our after school, summer school, special events, and outreach programs create an awareness of our organization across the state, bringing people to Casper specifically for our museum. We are proud to be an essential part of our community and are excited to provide opportunities for children to learn and grow.

Elemental Evening is The Science Zone's primary fundraiser. Funds raised at this event support our mission, "...to inspire the mind, to delight the senses and to ignite a passion for the technical arts and sciences," throughout the year. These monies fund our programs, outreach activities, animal care, scholarships, and enable us to serve deserving youth of our region in a unique and exciting way. In 2019 we saw nearly 30,000 visitors and hope to reach 40,000 in 2020. We understand that education is important to our community. We ask for your support and participation at this year's event to help us continue providing high quality learning experiences to Wyoming's future scientists and community leaders. Remember, your support is elemental.

Thank you,

Steven Schnell
Executive Director
